Empirical evidence from Italy</p>

PAPER PRESENTERS. We assigned equal and sufficient time to all presenters but for this to be effective we need your collaboration. Please make sure to be in the appropriate room **at least 5 minutes before** the session is due to start. Have your presentation on a USB memory device and load it onto the machine **before** the start of the session. Should technical problems arise, please solicit advice of technical assistants. Carefully plan your presentation to make sure that it is within the time allocated, **15-20 minutes** (plus 5-10 minutes for Q&A). **Session chairs will be very strict in terms of time management.**

The workshop is connected to the project on circular economy, SMEs and sustainable innovation that the Department of Economics and Management of the University of Ferrara is carrying out as a Department of Excellence.¹ Project funded by MIUR (2018-2022).
